

**BLUE LAKE RANCHERIA
RESILIENCY TRAINING & INNOVATION CENTER
INFORMATION BULLETIN**

P.O. Box 428, Blue Lake, CA 95525
(707) 668-5101 X1049

MONTHLY TRAINING UPDATE: September 2021

This informational bulletin produced to provide opportunity for resiliency training of many types at the Blue Lake Rancheria Resiliency Training & Innovation Center (RTIC), to strengthen preparedness, enhance effectiveness, and improve response levels, and to meet the needs of the overall community for resiliency.

All training is free of charge, unless noted in the Bulletin. Travel and lodging costs are paid by the registering student.

For questions or requests for more information please contact the Resiliency Training & Innovation Center;
Phone: (707) 668-5101x1049 **Email:** rtic@bluelakerancheria-nsn.gov

PLEASE NOTE: Course dates are subject to change without notice. Please utilize contact information above to confirm course before registering. Not all courses below have date confirmation. However, you are welcome to register with RTIC and when confirmed or cancelled you will be notified.

COURSE	DATE/LENGTH	DESCRIPTION	VENUE
<p>National Emergency Management Basic Academy 2021</p>  <p>POSTPONED</p>			
<p>Climate Series #2 TRIBAL ONLY Integrating Climate Change into FEMA Approved Mitigation Plans</p> 	<p>October 18 & 21, 2021 (16 hours)</p> <p>Link to registration coming soon!</p>	<p>This workshop will build upon the previous course “Climate Series #1: Climate Change 101, which provided an introduction to planning for climate change impacts using examples from tribes that have been going through the adaptation planning process. This second course will provide information on how climate change considerations can be mainstreamed into FEMA multi-hazard mitigation plans while considering cultural values, priorities and indigenous knowledge. The course agenda will include tribal case studies and representatives from FEMA and ITEP to provide knowledge and guidance on the process. As with the previous course, this course is intended for tribal managers from this particular region. If tribal staff from outside the region would like to apply, please contact ITEP staff.</p>	<p>Virtual Delivery ZOOM <i>Links will be provided upon Registration</i></p>

<p>Climate Series #3 AWR-228 Community Resilience</p> 	<p>November 4th & 5th 1:00-5:00pm PST each day (8 hours)</p> <p>2 – four hour virtual deliveries</p>	<p>This course demonstrates how to integrate risk and community-based collaborative strategies into plans and programs and introduces tools that help communities assess individual risks and vulnerabilities as well as introduces strategies to become more resilient and better prepared for natural disasters.</p>	<p>Virtual Delivery</p>
<p>Basic Crisis (Hostage) Negotiations</p>  	<p>November 8-12, 2021 (40 hours)</p> <p><i>Law enforcement only</i></p> <p>Registration through DPREP online at http://www.dprep.com or below – Call/text 916-716-7923 for more info https://www.eventbrite.com/e/basic-crisis-negotiations-registration-158677541799</p> <p>Certification: POST Plan IV – 7290-21500-21-003 Tuition: \$749</p>	<p>This forty-hour course is designed to provide the basic essential skills for newly assigned crisis negotiators in law enforcement agencies. Students are engaged in discussion of the history of negotiations and the evolution of the crisis negotiations philosophy. The basic principles of negotiations are covered in depth along with the application of active listening skills and intelligence gathering. Team structure and duties are discussed as we identify subject types, risk assessment, and suicidal factors. Various individual and group exercises are employed in this class to allow the student to apply newly acquired knowledge and training. A full scale, daylong practical training incident on the final day of class allows an assessment of each student’s capabilities in action, utilizing various team roles and functions.</p>	<p>Blue Lake Rancheria Tribal Justice Center (New building, 1 Ayekwee Loop, Blue Lake) https://bluelakerancheria-nsn.gov/</p> <p>Hotel Booking Code:3733</p>
<p>Disaster Management for Water and Wastewater Utilities</p> <p>MGT-343</p> 	<p>November 9th & 10th, 2021 (16 hours)</p>	<p>This course provides students with information about the Environmental Protection Agencies (EPA) Response Protocol Toolbox covering necessary steps to be taking during the response and recovery Water and Wastewater Utilities facilities. Participants will be guided through the various issues concerning preparing for, responding to, and recovering from incidents affecting water and/or wastewater facilities. The course introduces the various natural and man-made (accidental or intentional) hazards to which water and wastewater systems may be vulnerable and the potential effects the hazards may induce. Planning for and managing incidents are discussed, as well as disaster mitigation, response and recovery specific to drinking water and wastewater systems.</p>	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p>Hotel Booking Code:</p>
<p>Direction and Control of the Search Function (Search Management)</p>	<p>November 15-19, 2021 (40 hours)</p> <p>Registration is through Cal OES: http://w3.calema.ca.gov/LawVictim/Public/LawWebApp.nsf/DC?openform</p>	<p>“Direction and Control of the Search Function” is a 5-day, 40-hour course with trained, professional, and experienced instructors. The course is directed toward search and rescue coordinators, their alternates, team leaders and others having those responsibilities. This course format is designed to facilitate both full-time as well as volunteer SAR Management personnel, it includes the NASAR “Managing the Lost Person Incident” text, and the most revised and updated course curriculum. Course objectives include:</p> <ul style="list-style-type: none"> • How to properly manage a search. 	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p>Hotel Booking Code:3658</p>

 	<p>Cal OES and the host agency (HCSO) provide this course <u>free of cost</u>. Enrollment is on a first-come, first-served basis. Applicants should register as soon as possible since applications are accepted as they are received, and class size is limited. When your application is accepted, you will receive notification by email.</p> <p>If you have any questions, contact Sunday Ippolito at (916) 845-8706 or Sunday.Ippolito@CalOES.ca.gov</p> <p>Law enforcement only</p> <p>POST Certified: Plan IV</p>	<ul style="list-style-type: none"> • How to develop a comprehensive search pre-plan and understand its importance to a successful search mission. • Identify basic search and rescue resources; discuss their functions and limitations. • Describe and discuss tactics used in search of lost persons. • Describe resources/sequence of initial actions in applying search and rescue resources to find missing subjects. • Demonstrate the ability to develop the search area in a given map problem. • Describe the function of clue detection in relation to search theory. • Identify key factors involved in deciding to suspend a mission. • Introduction to Law Enforcement and Incident Command System and describe functions of effective organization. • Discuss how effectively managed search and rescue missions affect your agency's image. • Discuss the importance of preventative search and rescue programs. 	
<p>Climate Series #4 AWR-347 Climate Adaptation Planning for Emergency Management</p> 	<p>December 9th & 10th 1:00-5:00pm PST each day (8 hours)</p> <p>2 – four hour virtual deliveries</p>	<p>The goal of this course is to prepare the community and the emergency services sector for the climate adaptations and systems vulnerabilities that might occur from hazard impacts and to enhance awareness to future climate hazards and impacts that the emergency services sector may face.</p> <p>Course Modules:</p> <ul style="list-style-type: none"> • Weather Hazards and Climate Patterns • Assessing Infrastructure and Asset Impacts • Climate Adaptation Strategies 	<p>Virtual Delivery</p>
<p>Disaster Management for Public Services</p> <p>MGT-317</p> 	<p>January 11th & 12th, 2022 (16 hours)</p>	<p>This course provides real world training to public service professionals helping to provide both the knowledge and skills necessary to protect their communities and infrastructure from potential or actual threats.</p> <p>Representatives from public service agencies, fire services, law enforcement, emergency medical services, emergency planning, public health, and hazardous materials response organizations are encouraged to attend.</p> <p>Participants will be introduced to natural and man-made disasters to which public services may be vulnerable. This course also explains emergency planning and management and the regulatory systems, documents, and directives that guide disaster response. Response factors, such as hazard control zones, resources, and responder safety are also discussed. Recovery considerations, such as funding assistance and demobilization, are also explained.</p>	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p>Hotel Booking Code: Coming Soon!</p>

<p><u>Community Based Response to All Hazards Threats to Tribal Communities</u></p> <p><u>MGT-449</u></p> 	<p>February 1, 2022 (8 hours)</p>	<p>This course provides tribal nations with the knowledge, skills and abilities necessary to effectively detect, respond to, manage, and mitigate all-hazards threats using a whole community approach.</p> <p>This course will include a practical exercise designed specifically to meet the needs of tribal communities. Participants will utilize the exercise to identify all-hazards emergency planning in tribal communities, and describe response and recovery considerations that should be included in tribal all-hazards emergency plans.</p>	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p><i>Hotel Booking Code: Coming soon</i></p>
<p><u>Isolation and Quarantine Response Strategies in Event of a Biological Disease Outbreak in Tribal Nations</u></p> <p>PER – 333</p> 	<p>February 2 & 3, 2022 (16 hours)</p>	<p>The purpose of this course is to provide tribal nations with the knowledge, skills, and abilities necessary to effectively detect, respond to, and mitigate a disease outbreak, using a whole community approach.</p> <p>This course will include a practical exercise designed specifically to meet the needs of tribal communities. Participants will apply the knowledge and skills learned through the exercise that will require them to describe zoonotic response plans, partners and distinctive aspects of emergency response in tribal communities. They will be able to apply lessons learned to implement isolation and quarantine strategies. Participants will select appropriate personal protective equipment and demonstrate the knowledge and skills necessary to maintain responder safety when using personal protective equipment while responding to a biological disease outbreak.</p>	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p><i>Hotel Booking Code: Coming soon!</i></p>
<p><u>Disaster Preparedness for Healthcare Organizations within the Community Infrastructure</u></p> <p>MGT-341</p> 	<p>February 9th & 10th, 2022 (16 hours)</p>	<p>This course provides information specific to healthcare organizations vulnerability to a disaster. During this FEMA sponsored course, participants will be introduced to the various natural, technological, and civil hazards to which healthcare organizations may be vulnerable and the potential impacts of those hazards.</p> <p>Federal guidelines and legislation that serve to aid in the preparedness for, and response to, incidents involving these hazards are discussed, as are current emergency management standards for the healthcare community. Participants review response and recovery issues that should be addressed by medical facilities and organizations in preparation for a large-scale incident, including identification of critical resources necessary for response and recovery.</p>	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p><i>Hotel Booking Code: Coming soon!</i></p>
<p><u>Disaster Management for Electric Power Systems</u></p> <p>MGT-345</p>	<p>March 22nd & 23rd, 2022 (16 hours)</p>	<p>This course provides students with information specific to preparing for, protecting against, responding to, recovering from, and mitigating against a threatened or actual natural disaster, an act of terrorism, or other man-made disaster affecting electric power facilities and systems.</p>	<p>Blue Lake Casino And Hotel Sapphire Palace www.bluelakecasino.com</p> <p><i>Hotel Booking Code: Coming Soon!</i></p>

		<p>During this course, participants will be guided through discussions and exercise that will assist them in:</p> <ul style="list-style-type: none"> • Improving security against physical damage, organizational disruption, and control system vulnerability • Enhancing the electric power systems ability to plan, prevent, detect, respond, and restore their facilities in emergency situations • Developing an understanding and appreciation for working with the media. 	
<p><u>The Basic Incident Response to Digital Evidence (BIRDE)</u></p> <p>FEDERAL LAW ENFORCEMENT TRAINING CENTERS</p>   	<p>April 26-28, 2022 (24 hours)</p> <p>Registration through FLETC TBA</p>	<p>The Basic Incident Response to Digital Evidence (BIRDE) provides training necessary to any criminal investigator who may be a first responder in a situation in which computer based evidence is or may be recovered. While not being overwhelmingly technical in delivery, this program provides a sufficient overview of technology in order to adequately prepare the criminal investigator for taking proper steps necessary to identify, collect, acquire, and preserve digital evidence during the conduct of an investigation.</p> <p>Prerequisites: Applicant must be a law enforcement officer/agent with arrest authority in the prevention, detection, apprehension, detention and/or investigation of felony and/or misdemeanor violations of federal, state, local, tribal, or military criminal laws; Direct Law Enforcement Support Personnel (DLESP); or Employees of a federal, state, local, tribal or international agency who perform functions directly related to a law enforcement or Department of Homeland Security (DHS) mission but do not necessarily have the authority to carry and use firearms, make arrests and/or conduct searches with or without a warrant. This category of personnel may also include military personnel preparing for deployment. This is an entry-level course. However, a functional knowledge of computers is recommended.</p> <p>Program Syllabus:</p> <ul style="list-style-type: none"> • Electronic Law and Evidence • Cell Phone Investigations 	<p>Blue Lake Casino And Hotel Sapphire Palace</p> <p>www.bluelakecasino.com</p>

- First Responders to Digital Evidence
- Data Acquisition

Map to Blue Lake Rancheria Resiliency Training & Innovation Center

**Blue Lake Rancheria
Resiliency Training &
Innovation Center (RTIC)**

428 Chartin Road
Blue Lake, CA 95525

DIRECTIONS: The Blue Lake Rancheria RTIC is located in Humboldt County, California on State Route 299 east. Take the Blue Lake Exit (Exit 5) onto Blue Lake Blvd. Turn right at the round-about and follow Chartin Road straight into the Blue Lake Rancheria.

Council Chambers: Council Chambers located on 4th floor of the Blue Lake Casino Hotel at 777 Casino Way. From Elevator in Hotel Foyer: Take elevator to 4th floor. Get off the elevator at 4th floor, turn left and go almost to end of hallway. Council Chambers on your left.
