**Basic Crisis Negotiations
Law Enforcement Only**

Registration Link Pending

**January 11, 2027 -
January 15, 2027**

This forty-hour course is designed to provide the basic essential skills for newly assigned crisis negotiators in law enforcement agencies. Students are engaged in discussion of the history of negotiations and the evolution of the crisis negotiations philosophy. The basic principles of negotiations are covered in depth along with the application of active listening skills and intelligence gathering. Team structure and duties are discussed as we identify subject types, risk assessment, and suicidal factors. Various individual and group exercises are employed in this class to allow the student to apply newly acquired knowledge and training. A full scale, daylong practical training incident on the final day of class allows an assessment of each student's capabilities in action, utilizing various team roles and functions.
